The complaint shall be examined by the Service Provider within 14 (fourteen) days from the delivery of it to the Service Provider. The User will be promptly informed of the results of this procedure. Subject to any other provisions of law and protective regulations under the Consumer Rights Act, the Service Provider is liable under the statutory warranty for the Products' defects or non-conformity, provided that: (i) the User discovers the Product's defect or non-conformity within 2 (two) years from the date of delivery of the Product to the User, and (ii) submits a complaint to the Service Provider within 1 (one) year from the date of discovery of this defect or this non-conformity. The ineffective elapse of the deadlines referred to in the preceding sentence relieves the Service Provider from the liability under the statutory warranty for the Products' defects or non-conformity. Claims under the statutory warranty for the Products' defects or non-conformity shall be vested exclusively in the User who purchased the Product through the Website and do not pass to a subsequent purchaser of the Product.

The User undertakes to follow the instructions and guidelines for assembling the Products and shall always take caution in choosing the location for the Products. The User acknowledges and accepts that certain external factors (such as vibrations or high humidity levels) may detriment the magnet mounting used in the Products and, as a consequence, shorten their end use date and cause the Products to fall.
- 3.35. Sale of the Products via the Partner is conducted on the terms set out in the relevant regulations available on the Partner's website.
- 3.36. The User can express an opinion and review the Product. The Service Provider may cooperate with external companies to enable reviewing the Product by the User. IV. Account Registration.

4.1. The User who wishes to create an Account on the Service should:

- a) Fill out the Registration form for Users, including providing an email address and Password, or—in the case of registration using external authentication services provided by other entities operating independently of Displate (Google or Facebook)—provide the necessary data to log into such a service;
- b) Accept the Terms of Use and Privacy Policy;

After completing the registration, the Service Provider will send a confirmation email to the User's email address confirming the creation of the Account. Once the above steps have been completed, a contract for an Account is concluded between the User and the Service Provider.

The User also has the option to create an account using the Google One Tap Login service. To do this, he should enter his Google login information in the appropriate window and confirm his intention to create an account with Displate.

4.2. The Artist/Influencer who wishes to create an Account on the Service should:

- a) Fill out the Registration form for Artists/Influencers, including providing an email address, phone number and Password;
- b) Accept the Terms of Use and Privacy Policy;

c) Confirm the email address by clicking on the activation link sent to the email address provided in the form.

After completing the registration, the Service Provider will send a confirmation email to the Artist/Influencer confirming the creation of the Account.

Once the above steps have been completed, a contract for an Account is concluded between the Artist/Influencer and the Service Provider.

After registering an Account as described above, the Artist/Influencer may also log into the Service using external authentication services provided by other entities operating independently of Displate (such as Google or Facebook) by providing the necessary credentials to log into such a service.

4.3. The User has the option to convert their Account and register as an Artist/Influencer. To do so, they should select the appropriate button on the Service and then change their Password via the link provided in a separate email. The User should follow the on-screen instructions to complete this process. If the User has not set a nickname on their Account, they will be assigned a random one, which can be changed by sending an email to artists@displate.com. The User who has converted his Account is required to provide any missing personal data that the Service Provider requires from the Artist. In particular, this includes providing a phone number which is necessary to verify the Artist's identity via SMS.

4.4. Future SMS verification may also apply to those users who have changed their Pay Pal address or critical information.

4.5. The Service Provider reserves the right to conduct incidental verification of the Registration and the Artist, carried out in good faith and with due diligence, in order to detect, identify, and remove illegal content or prevent access to it, or to take necessary measures to comply with other legal requirements.

4.6. The initial displaying and publication of the Product Model on the Artist's Account requires the Artist's identity to be verified. The identity verification is carried out via SMS. The Artist will receive an automatic SMS message containing an authentication code at the phone number provided during Registration. Entering and submitting the authentication code in the appropriate window in the Service will constitute an opportunity to publish the Product Model by the Artist. Failure by the Artist to provide the authentication code will be considered an unsuccessful verification, resulting in the inability to display and publish the Product Model on the Artist's Account.

4.7. The Service Provider reserved the right to exempt selected Artists from the SMS identity verification requirement referred to in section 4.5 above.

- 4.8. Following successful registration, the Artist/User/Influencer gains access to the Account, which is in each case provided by the Service Provider upon entering the Password and e-mail address.
- 4.9. During the Registration and while using the Service, the Artist/User/Influencer is obliged to:

The Artist/User/Influencer also takes exclusive liability for the disclosure of the Password to third parties.
- 4.11. Every person who completes the Registration on behalf of an organisational entity with legal capacity (e.g. registered partnership, limited partnership) or a legal person (e.g. limited liability company, joint-stock company), as well as on behalf of a civil law partnership, states and declares that he or she is fully authorised to conclude the Agreement on behalf and in the name of this organisational entity, legal person or civil law partnership.
- 4.12. The Service Provider reserves the right to delete Accounts and to withhold or limit the ability to upload the Product Models on Accounts that exhibit characteristics of duplicate or fake accounts. This particularly applies to Accounts that show similarities in profile, published Product Models, used addresses, or the use of the same PayPal account, or that indicate they were created using automated tools (e.g., bots). The Artist/User/Influencer will be informed of the Service Provider's decision. This notification will include a justification (including, among other things, the facts and circumstances on which the decision was based, where applicable, information regarding the use of automated means during decision-making, including whether the decision was based on content detected or identified using automated means, the legal basis for the decision, explanations of why the information is considered illegal content based on this, the contractual basis for the decision, and explanations of why the information is considered non-compliant with that basis) as well as information about the available appeal procedures (including, in particular, the procedure described in section X of the Terms of Use).

V. Termination of the Services Agreement.

- 5.1. Each Party shall be entitled to terminate the Agreement with immediate effect, without prejudice to the rights acquired by the other Party prior to the termination of the Agreement. The information will be sent to the email address provided by the Artist/User/Influencer during Registration. The decision to terminate the Agreement can be appealed, including in accordance with the procedure described in section X of these Terms of Use.
- 5.3. Termination of the Agreement by the Artist/User/Influencer is effected by them by deletion of the relevant Account, which involves making a request on the Service's website. All data and the Product Models will be irreversibly and immediately deleted at the time of account removal subject to certain data which the Service Provider may use also thereafter in order to comply with its legal obligations (please refer to our [Privacy Policy](#) for details). Moreover, the Artist/User/Influencer waives all and any claims against the Service Provider in this respect.
- 5.4. The Service Provider shall be also entitled to terminate the Agreement with the Artist/User/ Influencer with immediate effect if the Artist/User/Influencer, respectively, breaches at least one of the following paragraphs of the Terms of Use: 4.9., 4.10., 4.11., 4.12., 6.1., 6.2., 6.3., 7.1., as well as if at least one of the circumstances referred to in paragraphs 7.5. a) to 7.5. b) of the Terms of Use occurs. In this case, the Account will be deleted immediately after the justified notice of termination of the Agreement is sent to sending the termination notice to the Artist/User/Influencer, subject to the preservation of the Parties' acquired rights. The decision to terminate the Agreement can be appealed in accordance with the procedure described in section X of the Terms of Use. However, in the event the Service Provider terminates an Agreement with the Artist/Influencer, the Service Provider reserves the right to suspend the performance of those Users' orders for Products that are based on such Artist's/Influencer's Product Models and were submitted before the date of termination. The Artist/Influencer waives all and any claims against the Service Provider in this respect.

- 5.5. The Service Provider is entitled to cancel fees described in sec. 3.9. – 3.20. above, with respect to the Artist/Influencer who has breached para. 7.1.e) below. The Artist/Influencer waives all and any claims against the Service Provider in this respect. The Artist/Influencer will be informed of the Service Provider's decision. This notification will include a justification (including, among other things, the facts and circumstances on which the decision was based, where applicable, information regarding the use of automated means during decision-making, including whether the decision was based on content detected or identified using automated means, and the legal basis for the decision) as well as information about the available appeal procedures (including, in particular, the procedure described in section X of the Terms of Use).
- 5.6. The Service Provider is entitled to cancel an order and/or refuse to execute an order for custom made Products and cancel Displate Club fees that have been already paid and not to refund them, if in the Service Provider's reasonable opinion, such order violates sec. 6.2 of the Terms of Use. In the event of withdrawal from the Agreement, it shall be considered not concluded. The Service Provider undertakes to return the Subscription Fee to the User immediately, but no later than within 14 (fourteen) days of receipt of the statement. A template of the withdrawal statement has been posted on the Website ([click here](#) to download the document).
- 8.27. The Displate Club Membership Agreement renews for the next month automatically, except when it is impossible to collect the Subscription Fee.
- 8.28. A Displate Club Member may terminate the Displate Club Membership Agreement at any time, without giving any reason, by submitting a statement within the Account administration panel.
- 8.29. The Displate Club Membership Agreement shall be automatically terminated as a result of termination of the Agreement pursuant to Section V of the Terms and Conditions. The Service Provider is entitled not to refund the Subscription Fees that have already been paid by the User.
- 8.30. Termination or termination of the Displate Club Membership Agreement shall be effective at the end of the billing period in which the effective termination or termination occurred.

[Subscription Fees and Billing Periods]

- 8.31. The Subscription Fee amount is determined individually for each User and depends:
- a. In the case referred to in 8.19.a - on the detailed configuration of the Initial Order (i.e. quantity, size, finishing and framing of the ordered Products)
 - b. In the case referred to in 8.19.b - on the detailed configuration of the last Order assigned to the User's email address from the last 200 days since the payment of this Order (if the order was placed more than 200 days before the period of 200 days, this option is unavailable).
- 8.32. In the case of ordering two or more Products during the Initial Order, the Subscription Fee will be calculated based on the value of each Product, notwithstanding that the value of Products such as the mounting system and the Displate Stand are not included in the calculation of the Subscription Fee.
- 8.33. The User will be informed about the Subscription Fee amount when concluding the Displate Club Membership Agreement. The Subscription Fee is specified in one of the currencies

available for the Displate Club Membership Agreements and selected by the User when placing the Order.

- 8.34. The Subscription Fee amount shall not change during the billing period. The Service Provider may increase the amount of the Subscription Fee. In the event of a change in the amount of the Subscription Fee, Service Provider will notify the Displate Club Member of the proposed change in a message that will be sent to the Account or email address and will be available in the Displate Club Member's profile on the Website. If the Displate Club Member fails to terminate the Agreement in the manner provided for in the Terms and Conditions within one month from the date of receipt of the notification of the change, such change shall be deemed accepted - it will be effective from the next billing period.
- 8.35. Subscription Fees are billed on a monthly basis.
- 8.36. The first billing period shall begin on the date of execution of the Subscription Agreement and shall continue until the expiration of the same date in the following calendar month. Each subsequent billing period shall commence on the day following the end of the previous billing period.
- 8.37. The Subscription Fees for a given billing period shall be charged by the Service Provider in advance after the start of a given billing period. The charge shall be made using the payment method selected by the Subscriber (e.g. PayPal, GPay, credit card), from among the available payment methods. Available payment methods may vary depending on the User's country of purchase and the payment provider assigned to that country (e.g., Adyen or Braintree). The Subscriber may change the payment method for Subscription Fees during the term of the Subscription Agreement in his/her Account.
- a. If the Subscription Fee is not collected the Displate Club Member will be informed by an email indicating the need to pay the Subscription Fee and by a notice on the Website regarding the update of the payment method.
 - b. If the Subscription Fee is not collected within the next 10 days, the Displate Club Member will be informed by an email message indicating the need to settle the Subscription Fee and by information on the Website regarding the update of the payment method.
 - c. If the Subscription Fee is still not collected within 20 (twenty) days from the start date of the relevant billing period, the Displate Club Membership Agreement will be automatically terminated, of which the Displate Member will be immediately informed by an email message.
- 8.38. As soon as the Subscription Fee for a given billing period has been collected, the Service Provider will issue an electronic VAT invoice to the Subscriber. The Subscription Fee shall

be the gross amount including VAT at the appropriate rate in accordance with applicable law.

[Displate Club Voucher]

- 8.39. As part of the Displate Club Membership Agreement, a Displate Club Member who pays the Subscription Fees for 12 (twelve) consecutive billing periods shall, in each 12 (twelfth) month of the Displate Club Membership Agreement, obtain from the Service Provider a Displate Club Voucher with a value equal to the amount associated with the purchase of the Products under the Initial Order, whereby for the purposes of the Voucher, the Service Provider recognizes that:
- a. the Limited Edition, Ultra Limited Edition Products ordered shall be converted by the Service Provider into the corresponding non-Limited Edition or Ultra Limited Edition Products, assuming a “matte” finish for them;
 - b. for the amount of the Original Order, the Service Provider shall assume the value of the Products without taking into account promotions, discounts and others, even if they were actually charged.
- 8.40. Displate Club Voucher is given to the Displate Club Member within the Account and to the email address assigned to the Displate Club Member's account. The Displate Club Voucher is issued in the currency in which the Initial Order was processed and can only be redeemed in countries to which the Service Provider sells in that currency.
- 8.41. Displate Club Voucher entitles the Displate Club Member, within its validity period, to purchase Products available on the Site.
- 8.42. Displate Club Voucher is individual in nature and may only be used by the Displate Club Member to whose Account it was assigned. The Displate Club Voucher may only be used once, and therefore the difference between the value of a given Displate Club Voucher and the value of the Products purchased using it may not be used to make another Order using the Displate Club Voucher.
- 8.43. Redemption of the Displate Club Voucher requires the Displate Club Member to select the Products to be covered by the Displate Club Voucher as part of the Order placement and to enter the Displate Club Voucher code in the dedicated field as part of the Order placement. Use of the Displate Club Voucher requires the User to be logged into the Account (it is not possible to use it as a guest). As part of the Displate Club Voucher redemption, the Displate Club Member is required to provide the buyer's details (for the purpose of issuing a VAT invoice) and the recipient's details (for the purpose of delivering the Products), if different from the buyer's details. The buyer's country and the recipient's country must be the same. The purchaser's data and the recipient's data for the purpose of redeeming the Voucher

may differ from the purchaser's data and the recipient's data provided for the purpose of the Initial Order.

8.44. Displate Club Voucher is valid and may be redeemed within 90 (ninety) days from the date of its delivery to the Displate Club Participant. Displate Club Voucher not used within the validity period becomes invalid and is not exchangeable for a new one.

8.45. The Displate Club Member:

- a. shall not be entitled to a refund of the value of the Displate Club Voucher not used within the validity period.
- b. shall not be entitled to a refund of the value of the Displate Club Voucher or Products obtained through the redemption of the Displate Club Voucher.

8.46. Displate Club Voucher is not exchangeable for cash in whole or in part.

8.47. The Displate Club Member shall not be entitled to a refund of the value of any unused Displate Club Voucher, including a credit against Subscription Fees or an increase in the value of subsequent Displate Club Vouchers.

8.48. A Displate Club Member shall not be entitled to a refund of Products received in fulfilment of a Displate Club Voucher. In case the Products are delivered with defects, the Service Provider shall immediately replace the defective Products with defect-free Products or remove the defects.

In the case of a Gift Card assigned to a specific variant, the card may only be used to purchase that specific variant.
- 9.8. The Service Provider reserves the right to suspend or terminate the Gift Card program at any time. The Gift Card Users will be informed about the suspension or termination of the program in advance, in the manner specified in section 12.4 below.

[Returns and complaints]

- 9.15. The User may return the Gift Card (i.e. withdraw from the Gift Card purchase agreement) within 100 (one hundred) days from the date of purchase, provided that the Gift Card has not been redeemed.
- 9.16. The User may return the Gift Card by submitting a relevant declaration to the e-mail address: support@displate.com. A form of the statement of withdrawal from the Gift Card purchase agreement is available on the Website ([click here](#) to download the document). i.e. not previously redeemed. After a positive verification, Service Provider shall immediately, however, no later than within 14 (fourteen) days from receiving the User's declaration on returning the Gift Card, refund the amount equivalent to the nominal value of the Gift Card using the same method of payment that the User used to pay for the Gift Card. The returned Gift Card is deactivated and cannot be used.

9.18. The User who purchased the Product using the Gift Card may return or make a complaint about that Product on the general terms and conditions described in these Terms of Use. In the event of a return of a Product purchased by a Gift Card (based on a complaint or withdrawal from the Product purchase agreement), the nominal value of such Gift Card in a currency in which it was purchased (corresponding to the value of the returned Product and its shipping and handling cost), will be refunded to the User who purchased the relevant Gift Card using the payment method used to purchase that Gift Card.

The Service Provider will review the received report and notify the reporting person of the decision regarding the report. This decision will include a justification (including, among other things, the facts and circumstances on which the decision was based, where applicable, information regarding the use of automated means during decision-making, including whether the decision was based on content detected or identified using automated means, and the legal basis for the decision) and information about the appeal procedure and other available legal remedies. The reporting person has the right to appeal the Service Provider's decision in accordance with the appeal procedure as indicated in 10.11 below.

- 10.5. In the case of a suspected copyright infringement by the Artist or the Influencer, the User/Artist/Influencer is entitled to file a complaint by sending an email to abuse@displate.com. Furthermore, if it is determined that the Artist/Influencer is infringing the copyright of any third party, a takedown request form should be completed, which is available at <https://displate.com/takedown-request>.
- 10.6. A complaint may be submitted in writing or by other means of remote communication, including by e-mail, unless prevented by technical capabilities. The date of submission of a complaint is the date of its receipt by the Service Provider.
- 10.7. The Service Provider may refuse to consider a complaint regarding the non-compliance of the Service with the Terms, containing a request to bring the Service into compliance with the Terms (i.e. a request to deliver the Service or remove irregularities preventing or limiting the use of its functionality) when:
 - a) compliance with the Terms is not possible on the part of the Service Provider and the Service Provider informed the User about this circumstance in response to the complaint, or
 - b) compliance with the Terms as requested by the User requires excessive costs for the Service Provider and the Service Provider informed the User about this circumstance in response to the complaint.
- 10.8. If the User's complaint regarding the Service is accepted, the Service Provider brings the Service into compliance with the Terms within 14 days from the date of its submission to the Service Provider. 10.9. In the following cases, the User has the right to withdraw from the contract for the use of the Service:

- a) the Service Provider following point 10.6. informed the User that bringing the Service to comply with the contract is impossible or requires excessive costs on the part of the Service Provider,

- d) the lack of compliance with the Terms is significant enough to justify withdrawal from the contract for the use of the Service without first submitting a complaint to the Service Provider on the terms described in points 10.6.-10.7. above (complaint regarding the provision of the Service or the removal of irregularities preventing or limiting the use of its functionality),
- e) the Service Provider has informed the User that it will not comply with the agreement within the stipulated time limits or without excessive inconvenience to the User.

10.10. In the cases referred to in point 10.8. above - it is sufficient to send a statement of withdrawal from the contract to the Service Provider. A form of the statement of withdrawal from the sale agreement is available on the Website ([click here](#) to download the document).

10.11. The Service Provider allows appeals against its decisions, particularly those mentioned in these Terms of Use. An appeal must be submitted within no more than 6 months from the date of notification of the decision. Appeals can be submitted by sending an email to support@displate.com. The appeal should include a justification, particularly specifying the reasons for the appeal, and, where possible, also include relevant evidence (e.g., documents). The Service Provider will review the appeal in accordance with its internal complaint handling system, which ensures timely, non-discriminatory, objective, and non-arbitrary action, including oversight by appropriately qualified personnel over the appeal process, and ensures that decisions made by the Service Provider as part of the appeal process are not made solely based on automated means. The Service Provider also reserves the right to implement measures in the Service against such forms to prevent such artificially generated communication.
- 10.15. Users shall have the possibility to resolve disputes in out-of-court procedure via an EU online platform. Complaint can be submitted in the electronic form available under the following link: <http://ec.europa.eu/consumers/odr/>
- 10.16. Par. 3.32-3.35 above apply accordingly.

- 11.2. The responsibility for compliance of Product Models with applicable laws lies with their creator (Artist/Influencer). The Service Provider is not liable for defects or non-conformity of Product Models that result from the provision of false information by the Artist/Influencer.
- 11.3. The liability of the Service Provider to the Artist/Influencer is limited to the value of the fee received by the Artist/Influencer in respect of performance under the Agreement (until the event giving rise to the Artist's/Influencer's claim against the Service Provider).

By placing an order to purchase any of our Products, you accept and agree to be bound and abide by these Terms & Conditions of Sale together with our [Privacy Policy](#), [Website Terms of Use](#) and [Returns Policy](#) (collectively, referred to as the “Terms & Conditions of Sale”), regardless of whether or not you choose to register with us. In case of any discrepancies between Terms & Conditions of Sale (par. 12.1.-12.17) and other provisions of Terms of Use, Terms & Conditions of Sale prevails. **These Terms & Conditions of Sale, par. 12.1.-12.17, apply to United States Customers only.**

- 12.1. Agreement to Binding Arbitration.** PLEASE READ THIS SECTION CAREFULLY. EXCEPT AS THESE TERMS & CONDITIONS OF SALE OTHERWISE PROVIDE, YOU AGREE TO WAIVE YOUR RIGHTS TO TRY ANY CLAIM IN COURT BEFORE A JUDGE OR JURY AND TO BRING OR PARTICIPATE IN ANY CLASS, COLLECTIVE, OR OTHER REPRESENTATIVE ACTION. FOR RESIDENTS OF THE UNITED STATES AND CONTRACTS FOR PRODUCTS SHIPPED TO THE UNITED STATES, YOU AND SERVICE PROVIDER AGREE THAT IN THE EVENT OF ANY CLAIM OR DISPUTE (WHETHER IN CONTRACT, TORT, STATUTE, OR OTHERWISE) ARISING OUT OF, RELATING TO, OR CONNECTED IN ANY WAY WITH THE BREACH, ENFORCEMENT, INTERPRETATION, APPLICATION, OR VALIDITY OF THESE TERMS & CONDITIONS OF SALE, SUCH CLAIM, DISPUTE OR CONTROVERSY WILL BE RESOLVED EXCLUSIVELY AND SOLELY BY FINAL AND BINDING ARBITRATION, EXCEPT AS OTHERWISE SET FORTH IN THESE TERMS & CONDITIONS OF SALE (THE “ARBITRATION AGREEMENT”).
- 12.2. Exceptions to Binding Arbitration.** Notwithstanding the aforementioned, this Arbitration Agreement shall not be read to prevent the User from (1) pursuing an individual claim in small claims court in the United States of America, consistent with any applicable jurisdictional and monetary limits that may apply, provided that it is brought and maintained as an individual claim; or (2) pursuing public injunctive relief on an individual basis in a court of competent jurisdiction where state law dictates such a right to public injunctive relief exists.
- 12.3. Jury Trial & Class Action Waiver.** YOU AND SERVICE PROVIDER ACKNOWLEDGE AND AGREE THAT YOU ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY. THE PARTIES FURTHER AGREE THAT ANY ARBITRATION SHALL BE CONDUCTED IN THEIR INDIVIDUAL CAPACITIES AND NOT AS A CLASS ACTION, MASS ACTION OR OTHER REPRESENTATIVE ACTION, AND THE PARTIES EXPRESSLY WAIVE THEIR RIGHT TO FILE A CLASS ACTION OR SEEK RELIEF ON A CLASS BASIS SAVE AS FOR EXCEPT SPECIFIED IN THE PARAGRAPH

ENTITLED “BATCH ARBITRATION” BELOW. YOU AND SERVICE PROVIDER MAY NOT BE PLAINTIFFS OR CLASS MEMBERS IN ANY PURPORTED CLASS, COLLECTIVE, OR REPRESENTATIVE PROCEEDING, AND MAY EACH BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY. ASIDE FROM EXCEPTIONS OUTLINED IN PAR. 12.2 AND 12.3, THE ARBITRATOR MAY AWARD DECLARATORY OR INJUNCTIVE RELIEF ONLY ON AN INDIVIDUAL BASIS AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF WARRANTED BY THE INDIVIDUAL CLAIM. To the extent permissible by law there shall be no right or authority for any dispute to be arbitrated as a representative action or as a private attorney general action, including but not limited to claims brought pursuant to the Private Attorney General Act of 2004, Cal. Lab. Code § 2698, et seq. This means that you may not seek relief on behalf of any other parties in arbitration. Further information on the Class Action Waiver to be found at par. 12.4 below.

- 12.4. **Class Action Waiver** You acknowledge and agree that any and all disputes, claims, or controversies between the parties shall be resolved only in individual arbitration. You expressly waive the right to have any dispute, claim, or controversy brought, heard, administered, resolved, or arbitrated as a class, collective, coordinated, consolidated, and/or representative action, and neither an arbitrator nor an arbitration provider shall have any authority to hear, arbitrate, or administer any class, collective, coordinated, consolidated, and/or representative action, or to award relief to anyone but the individual in arbitration (“Class Action Waiver”). The parties also expressly waive the right to seek, recover, or obtain any non-individual relief. Notwithstanding anything else in this agreement, this Class Action Waiver does not prevent you or Service Provider from participating in a classwide, collective, and/or representative settlement of claims as set out in par. 12.16 below. The parties further agree that if for any reason a claim does not proceed in arbitration, this Class Action Waiver shall remain in effect, and a court may not preside over any action joining, coordinating, or consolidating the claims of multiple individuals against Service Provider in a single proceeding, except that this Class Action Waiver shall not prevent you or Service Provider from participating in a classwide, collective, and/or representative settlement of claims as set out in par. 12.14 below. If it is determined that any portion of this Class Action Waiver is unenforceable or unlawful for any reason, (i) any class, collective, coordinated, consolidated, and/or representative claims subject to the unenforceable or unlawful portion(s) shall proceed in a court of competent jurisdiction; (ii) the portion of the Class Action Waiver that is enforceable shall be enforced in arbitration; (iii) the unenforceable or unlawful portion(s) shall be severed from this Arbitration Agreement; and (iv) severance of the unenforceable or unlawful portion(s) shall

have no impact whatsoever on the enforceability, applicability, or validity of the Arbitration Agreement or the arbitrability of any remaining claims asserted by you or Service Provider.

- 12.5. **Severability.** Except as provided in par. 12.4 and 12.5, in the event that any portion of this Arbitration Agreement is deemed illegal or unenforceable, including without limitation for a “private attorney general action,” such provision will be severed and the remainder of the Arbitration Agreement will be given full force and effect.
- 12.6. **Governing Law & Arbitration Rules** The Arbitration Agreement evidences a transaction in interstate commerce and thus the Federal Arbitration Act, 9 U.S.C. § 1 et seq. (“FAA”), will govern the interpretation and enforcement of this Section. If the FAA is found not to apply to any issue that arises under this section or the enforcement of the Arbitration Agreement, then that issue shall be resolved under the laws of the State of Delaware. The arbitration will be administered and conducted under the then current and applicable consumer arbitration rules of the American Arbitration Association (“AAA”) in accordance with the Federal Rules of Civil Procedure (“Federal Rules”) (<https://www.uscourts.gov/rules-policies/current-rules-practice-procedure/federal-rules-civil-procedure>) and the AAA’s Consumer Arbitration Rules and/or other AAA arbitration rules determined to be applicable by the AAA (the “AAA Rules”) then in effect, except as modified here. The AAA rules are available online at www.adr.org or by calling the AAA at 1-800-778-7879. If the AAA cannot and will not administer the arbitration, the Parties shall confer and select an alternative arbitral forum.
- 12.7. **Informal Dispute Resolution** You and Service Provider agree to try and resolve any dispute informally before resorting to arbitration. You and Service Provider therefore agree that before either Party commences arbitration against the other (or initiates an action in small claims court if a party so elects), we will personally meet and confer either via telephone or video call in a good faith effort to resolve informally any dispute covered by this Arbitration Agreement (“Informal Dispute Resolution Conference”). If you are represented by counsel, your counsel may participate in the conference but you will also participate in the conference. The Party initiating the dispute must give notice to the other party in writing of its intent to initiate an Informal Dispute Resolution Conference (“Notice”) which shall occur within 45 days after the other party receives such Notice, unless an extension is mutually agreed upon by the Parties. Notice to Service Provider that you intend to initiate an Informal Dispute Resolution Conference should be sent via email to legal@displate.com or regular mail to GWD Concept sp. z o.o., Aleje Jerozolimskie 123A, 02-017 Warsaw, Republic of Poland. Notice to you will be sent to the address or email address associated with your account. The Notice must include (1) your name, telephone number, mailing address, e-

mail address associated with your account, (2) the name, telephone number, mailing address and email address of your counsel, if any; and (3) a description of your Dispute. The Informal Dispute Resolution Conference shall be individualized such that a separate conference must be held each time either party initiates a Dispute, even if the same law firm, or group of law firms represents multiple users in similar cases, unless all parties agree; multiple individuals initiating a Dispute cannot participate in the same Informal Dispute Resolution Conference unless all parties agree. Engaging in the Informal Dispute Resolution Conference is a condition precedent and requirement that must be fulfilled before commencing arbitration. The statute of limitations and any filing fee deadlines shall be tolled while the Parties engage in the Informal Dispute resolution Conference required by this Section.

- 12.8. **Initiating Arbitration.** Prior to initiating an arbitration, a party must first send a further written notice to the other party. If you intend to seek arbitration you must first send notice by international mail to legal@displate.com. The notice shall be individual and not for the claims of any other person, and must include your full name, your entire factual, legal claim, the requested relief and an express authorization to bring the arbitration demand. Service Provider shall send a Notice to the current billing address on your account by international mail. The Notice shall describe the nature and basis of the claim and the specific relief sought. If the parties cannot reach a settlement within 30 days from the receipt of the Notice, either party may initiate arbitration proceedings. A form to initiate arbitration proceedings is available on the AAA site at www.adr.org. In addition to filing this form with the AAA, the party initiating the arbitration must post a copy of the completed form to the opposing party. You may send such copy to Service Provider at legal@displate.com and Service Provider will send such copy to the current billing address or email address on your account or to your counsel, if you so instruct.
- 12.9. **Fee.** The Service Provider will pay all costs of arbitration, regardless of the prevailing party, so long as your claim is not found to be frivolous by the arbitrator.
- 12.10. **Location & Procedure.** If your claim is for \$10,000 (US Dollars) or less, you may choose to have arbitration conducted solely on the basis of documents submitted to the arbitrator, via a telephone hearing, by an in-person hearing in the county of your residence, or as otherwise mutually agreed to by the parties. If your claim exceeds \$10,000 (US Dollars), the location of the arbitration and the parties' right to a hearing will be determined in accordance with the rules of the AAA.
- 12.11. **Arbitrator's Decision.** The arbitrator's award shall be written, and binding on the parties and may be entered as a judgment in any court of competent jurisdiction. If you prevail in

arbitration, you will be entitled to an award of attorneys' fees and expenses, to the extent provided under applicable law. Service Provider shall have the right to seek attorneys' fees and costs in arbitration for claims deemed frivolous by the arbitrator. If Service Provider makes an offer of judgment not less than 10 days prior to the arbitration, if an arbitrator's monetary award against Service Provider does not match or exceed Service Provider's offer, you agree to pay Service Provider's legal fees and expenses for the arbitration.

12.12. Choice of Law & Forum Selection. Except as set forth in this Section, all matters relating to all matters arising out of or related to these Terms & Conditions of Sale, will be governed by the applicable laws of the United States of America and the laws of the State of Delaware without regard to Delaware choice of law principles. Unless you and Service Provider agree otherwise, in the event that it is determined or these Terms & Conditions of Sale provide that a claim should not proceed through arbitration, you agree that any claim or dispute (with the exception of a claim or dispute appropriately lodged in any small claims court in the United States of America) shall be resolved in the United States District Court for the District of Delaware, and you submit to the personal jurisdiction of that court. If subject matter jurisdiction (including diversity jurisdiction) does not exist in the United States District Court for the District of Delaware for any such claim, then the exclusive forum and venue for any such action shall be the courts of the State of Delaware located in New Castle County, and you submit to the personal jurisdiction of that court. As to any proceeding in court, you and Service Provider both waive your right to a jury trial, as outlined in par. 12.3, unless such waiver is unenforceable. The choice-of-law and forum-selection provisions in this section do not apply to the Arbitration Agreement or to any arbitrable disputes as provided by the Arbitration Agreement section. Instead, as provided in the Arbitration Agreement section, the FAA shall apply to any such disputes.

12.13. The choice-of-law and forum-selection provisions in this section do not apply to the Arbitration Agreement or to any arbitrable disputes as provided by the Arbitration Agreement section. Instead, as provided in the Arbitration Agreement section, the FAA shall apply to any such disputes.

12.14. Batching: If 25 or more customers initiate Notices of dispute (including Informal Dispute Resolution) with Service Provider raising similar claims within a 30 day period and counsel for the Service Provider customers bringing the claims are the same, or coordinated with these customers, the claims shall proceed in arbitration in a coordinated proceeding. Counsel for You and counsel for Service Provider shall each select 5 cases to proceed first in arbitration in a bellwether proceeding ("Bellwether Proceeding"). The remaining cases shall not be filed in arbitration until the first 10 have been resolved. If the parties are unable

to resolve the remaining cases after the conclusion of the Bellwether Proceeding, each side may select another 5 cases to proceed to arbitration for a second Bellwether Proceeding. This process may continue until the parties are able to resolve all of the claims either through settlement or arbitration. A court will have authority to enforce this clause and if necessary to enjoin the mass filing of arbitration demands against Service Provider. An arbitration award and any judgment confirming it apply only to that specific case; it cannot be used in any other case except to enforce the award itself. If for some reason the prohibition on class arbitrations as set out above cannot be enforced as to all or part of the dispute then the agreement to arbitrate will not apply to that dispute or part of the dispute. If for any reason a claim proceeds in court rather than through arbitration, such as pursuant to par. 12.3. You and Service Provider agree that there will not be a jury trial. You and Service Provider unconditionally waive any right to trial by jury in any action, proceeding or counter claim arising out of or relating to this Arbitration Agreement in any way. In the event of litigation, this Section may be filed to show a written consent to a trial by the court.

12.15. **30-day right to opt out.** You have the right to opt out of the provisions of this Arbitration Agreement by sending written notice of your decision to opt out to us at legal@displate.com within 30 days after first becoming subject to this Arbitration Agreement. Your notice must include your name and address, the email address you used to set up your account (if you have one) and an unequivocal statement that you want to opt out of this Arbitration Agreement. If you opt out of this Arbitration Agreement all other parts of this Agreement will continue to apply to you. Opting out of this Arbitration agreement has no effect on any other arbitration agreements that you currently have or may enter into in the future with us. If the dispute is not covered by any arbitration agreement between You and Us it shall proceed in the Courts indicated in par. 12.12.
